I am very proud of the transformation of the 4, 5 and 6-year-olds; pitiful, lost children who were brought to us 10 years ago (Many had seen their parents killed). CHRF has helped to make this possible.  
— Rosamond Carr, Rwanda

We are truly grateful for this wonderful gift. You have assisted thousands of hungry, homeless, underprivileged, young and old in South Africa and neighboring states.

*How will you  
know you  
touched  
another's  
heart?*

Before I came to (CHRF's Samaritan Center) I was a street boy. I was using drugs like glue, bangi and alcohol. Now I am happy to be here because we are fed, I have somewhere to sleep and I am clothed. I am also happy because I can read and write since I am in school.  
— Joseph, Kenya

The orphans and vulnerable children whose lives have been transformed and are now able to smile plus the active poor who have gotten loans thank the Almighty for you and all you have done for them.  
— Dr. John Obokech, Uganda

We are very grateful for the work of Children's Hunger Relief Fund in its efforts to provide abandoned and orphaned children, particularly AIDS orphans, with nutritional assistance, clean water, educational materials and medical services.  
— Committee for African Affairs of the United Nations Association
